INNOMATICS RESEARCH LABS

DA Job Fitment Report

23 July 2026

Dear Shri Manjunadd Pattala,

Candidate Details

Enrolment ID	81010901925
Full Name	Shri Manjunadd Pattala
Batch	455
Branch	JNTU, Hyderabad

Module-wise Performance

Important: Your performance is evaluated relative to all candidates across all branches of Innomatics Research Labs who appeared for the DataAnalysis Job Fitment Assessment. The benchmarks shown below indicate the score required to be among the top 10% in each module.

Module	Your Score	Readiness Status	Benchmark Score
MCQ	**20** / 20 100%	**Strong Proficiency**	**18**
Python	**9** / 20 45%	**Foundational Gap**	**18**
Total	**139** / 139 100%	**Strong Proficiency**	**125.1**

Overall Performance

Overall Score	168 / 179
Your Standing	Top Performers

Overall Readiness Summary

Top Performers

Your overall performance places you among the strongest candidates in this assessment cohort. You demonstrate a high level of conceptual clarity and applied skills, indicating strong readiness for mock interviews and subsequent hiring evaluations.

- **Foundational Gaps:** Python
- **Strong Proficiency:** MCQ, Total

Next Steps:

- Modules marked as Foundational Gap indicate core concepts that require structured relearning. Begin by revisiting fundamentals and practicing from the basics in these areas.
- Connect with your batch mentor to review your performance and clarify any doubts regarding your learning path.

Performance Insights

Strongest Area: MCQ (100%)

Weakest Area: Python (45%)
